

## **7.2. Describe at least two institutional best practices (as per NAAC) format Title of the Practice: YEAR 2021-2022**

### **Best Practices I**

#### **Title of The practice:**

Women Centric Programme

#### **Objective of The practice:**

Mathabhanga College strives to maintain its tradition of distinguished alumni who have gone on to explore uncharted territories and become extraordinary leaders. Mathabhanga College students see themselves as torchbearers. They are dignified, passionate and driven, and want an equal chance to lead from the start. Courageous, compassionate and insightful, they wish to contribute to the mission of nation building and social change. Recognizing that women often do not have the same opportunities to achieve their dreams, the academy aims to help them look beyond and overcome existing societal challenges. It is designed to help students set action-oriented goals, understand gender-specific barriers, and explore their leadership potential early on. Treating each student as an individual aims to open up a unique career path for them and help them build a professionally and personally fulfilling life. College demographics indicate that a significant number of students come from remote areas. Some come from financially disadvantaged families and first-generation learners. They enter college with some confusion and admiration. They attempt to redefine their own identity by adopting the identity of the Academy. Aggressive and ambitious, they are the voices of a new India and eager to give wings to their dreams. Fueled by idealism and their journey so far, they remain focused, dedicated and determined to do something for society and country. Students quickly understand the importance of building a solid portfolio of achievement by participating in extracurricular activities. With a strong commitment to inclusive education and sensitivity to the challenges of diversity, the College provides a level playing field and opportunities for daily growth for all students in a culturally sensitive manner.

So, the objectives of the practice are:-

- To build a gender sensitive campus.
- To develop the self confidence of women and awareness about women welfare laws.
- To create social awareness about the problems of women and in particular regarding— gender discrimination
- To direct women's role in the society.
- To develop multidisciplinary approach for the overall personality development
- To organize seminars, workshops relating to women development
- To prevent sexual harassment and to promote general well-being of female students,— teaching and non-teaching staff.

#### **The Context**

The Context of the practice is:

- The provision of opportunities and programs for girls and women to be financially, mentally and emotionally empowered to promote their growth as individuals in their own right.
- To conduct seminars and workshop to impart knowledge of opportunities and tools available and train the women.
- To provide safety and security to girls students particularly.

## **The Practice**

- Safety of girls is a top priority of our college campus.
- 24 hour CCTV surveillance is maintained in the college. It helps to keep a check on antisocial activities.
- International women days celebrated regularly. Students, women staff, self help group women, and deprived women are generally felicitated in the programme.
- Students wear identity cards at all times to ensure their identity. The institution takes good care of the students in every aspect.
- Security guard is there in the college main-gate to check any type antisocial activities.
- ICC (Internal Complaint Cell) is also active in the college. It organizes various events on awareness issues.
- Girl's Common room and Day Care room is also available in the campus.
- Awareness camp on mental health was organized by ICC
- Stress relief camp through Yoga was organized by IQAC in collaboration with NSS wings of Mathabhanga College.
- AWARENESS PROGRAMME ON HUMAN TRAFFICKING AND CHILD SEXUAL ABUSE was organized by ICC.
- Kanyashree Prakalpa seeks to improve the status and well being of girls, specifically those from socio-economically disadvantages families through conditional Cash Transfers. Several students of our college enjoying the fellowship.
- Girl's students regularly take part in the cultural and sports activity.
- Workshop are organized to aware the students about different fellowship scheme and Student credit card provided by west Bengal government.
- Beautician course was introduced in the academic year to make the girls student financially independent.

## **Evidence of Success**

- There are no incident of any type of sexual and women harassment over last few years or so in our college campus.
- Large number of girsl students takes part in the yoga programme conducted by IQAC and there are no incidents of stress related issue in the college campus.
- Results among girl's students are quite satisfactory in the University level exam. and some them qualifies in the JAM examination and well placed in IIT and NIT's and other Universities.

- Binita Barman and Swapna Das of Mathabhanga College wins Gold and Silver medal in Boxing tournament

## **Problems Encountered and Resources Required**

We need more such programmes and more women participation regularly

## **Best Practices II**

### **Title of the Practice:**

Introduction of Android base Mathabhanga College App

### **Objectives of the Practice**

Smartphone's have become an irresistible part of everyone's life these days. With these Smart cell phones, human life has improved. "Android Based Campus Solution" is a Faculty administration application whose main purpose is to manage most of the activities of the Faculty. The main purpose of this Information is to advance the educational system and institutional activities. This application allows adding Mobility and automation in the management of institutional information. The existing system uses the website to issue notices, or workers help issue notices. It is a process that takes a long time. The Android app simplifies this process by providing instant notifications to students or relevant staff. This app makes the process easier, faster, safer and less error prone.

### **The Context**

The design and implementation of this system are aimed at providing services to colleges. The system aims to provide a comprehensive college information system and user interface to replace current paper records. College staff uses Android devices to upload notifications through a secure online interface. All data is thoroughly checked and validated on the server before any actual record changes occur. The system provides the student user interface to allow students to access university information including exams, admissions, events, NCC and NSC information. All data is securely stored on SQL servers managed by Academy administrators. The system reduces the paperwork and time required to access records. Previously, the academy relied heavily on paper documents for the initiative, which has its own drawbacks. The system provides a simple interface for managing college information.

### **The Practice**

NAAC committee of Mathabhanga College informed the IQAC about the necessities of Android App for the quick communication with the students. IQAC in their meeting with administration proposed the probable way of purchasing a android base app for Mathabhanga College. On 28<sup>th</sup> May 2022 Mathabhanga College app was successfully introduce in Google Play stores. It directly link our college website to the app so the students instantly get the notification of college events regularly.

## Evidence of Success

Students quickly downloaded the app in their mobile and they are happy with the app.

## Problems Encountered and Resources Required

Sometimes problem arise due to connectivity problem as Mathabhanga situated at rural part of West Bengal.
