### **Report on Parent Teacher meeting ( held on 22<sup>nd</sup> July ,2021)**

Department of Economics organised a parent-Teacher meeting on 22<sup>nd</sup> July 2021 at 7.30 pm in Google meet platform after prior notification given in each of the Whatsapp group of honours and programme course of even semesters . Smt. Aparna Biswas, Associate Professor of Economics, was the only teacher participant in the meeting as she is the only teaching staff in the department. The meeting was conducted by her. As number of student of economics honours and programme course is not large ,a single meeting was organised for the parents of all the students of honours and programme course. Parent participation in the meeting was very poor. There were only about 30 participant in the meeting. The teacher welcomed all the parents and said that the meeting is organised for a mutual discussion for the improvement of students' learning process, to know whether the students have been facing any problem with the online class and also to get suggestion from them . The parent of honours course student expressed that they are satisfied with the online class and the student have no problem to continue the course. Many parent of economics programme course student said that they are also satisfied with the online class of economics .No body have any objection regarding online class and study materials of Economics. The teacher requested parent to motivate their son/daughter to join the classes regularly so that they could learn better. Thanking all the parents Smt Aparna Biswas ended the meeting at 8.20 pm. as nobody wanted to say any more.
