SCIENCE

STUDENTS' LECTURE

Department organised a students' lecture on 20th march 2019 where the students participated and taught about different topics related to their syllabus to their fellow classmates. the students actively participated and exhibited exemplary skills. The activity also helped them to boost their confidence and helped them in their public speaking. At the end of the program the teachers selected the best speaker (Subhajit Barman) and presented him with a book to encourage him and other students to work harder and excel further. The department has plans to organize these programs every year to encourage students and overcome their fear of public speaking and mould them for their future goals.

DISTRICT LEVEL YOUTH PARLIAMENT COMPETITION

The department of Parliamentary Affairs organizes a Youth Parliament Competition every year which is held in various colleges in the district. Every year the department of political science selects students taking into consideration their oratory skills, presentation and confidence and forms a team to participate in the competition. The Department teachers then categorize them into different roles and helps them with their scripts and practice. The mock parliament scripts are mostly based on recurring political and social theme and it also helps the students to learn new things outside their given syllabus. The students also participate in the YPC quiz competition.

The department takes pride in our students' achievements and plans to keep encouraging students to participate in various competitions and believes that education is not limited to the classrooms.

TEACHERS' DAY CELEBRATION

The students of the department also organize teachers' day celebration every year displaying wide arrays of talents and skills. The celebration further creates good rapport amongst the students of the department helps them hone their skills, organization as well teambuilding.

CONSTITUTION DAY CELEBRATION

On 26th Nov 2021 the department celebrated constitution day. With the ongoing pandemic situation and change in class schedules following the covid guidelines the department could manage to organize a small program. The program started with a speech by the head of the department where he explained the importance of constitution and the role it plays. The teachers also explained how the constitution which is considered the law of the nation and how it directly affects how the country is governed. The students asked various questions related to the topic and actively participated. The dept plans to organize this program every year from hence forth.
