Introduction:

Team Mathabhanga College NSS Unit this year organized a 7 days Winter Residential camp at a village named Panigram (Panigram High School) near Mathabhanga from 2nd March-8th march, 2020. The preparation of the camp started a month

ago from the date of the camp. NSS Program Officer Dr. F. Barman with 2-3 student volunteers

visited the village twice before setting the camp. There were 30 Volunteers in all which included

15 boys and 15 girls as well. Students from all branches and all years participated in the camp with great zeal.

The objective of this camp was to begin the interface with community, rapport building with

community members and developing understanding of the village keeping in view the rationale

of village adoption i.e. develop long term institutional relation with the community and

contribution to the upliftment of people therein.

About the Special Camp:

NSS Program Officer Dr. F.B Barman Along with the student volunteers laid out the plan on paper.

As this was the first 7 day camp, he also had a word with the other faculties to avoid the loopholes.

He discussed the plan of organizing the camp at the village. The plan and its utility was appreciated

by the villagers and they agreed for the camp to be organized from The NSS Unit from 2nd March-8th march, 2020.

Beginning of the camp:

The students reached the village by afternoon and they immediately realized that the place was an

abysmal pit. All the volunteers cleaned and washed the place thoroughly. Once everything was in

place, all of them settled down. But there were more bottlenecks awaiting us. There was no water

for drinking as well as bathing. So, some of the volunteers along with our Program officer went to

the villagers for arranging the same. Then students were given the opportunity to have an

introduction with the villagers and familiarize themselves with the milieu. So, there was a one to

one interaction between the villagers and the student volunteers. After supper, there was a meeting

at night to discuss the plan for the coming days. Students noted down each and every minor detail

which they came across in the introduction session.

Day one- Date- 02-03-2020

Main Subject- Winter Camp opening ceremony.

- Task One- Inauguration.

Like every year, this year also the NSS unit of our college conducted winter residential camp. The inauguration of this camp was officially through our college. Acting Professor of the College Dr. was present. Monoje kr. Roy, Dr. Dr. Pijush Kanti Das, Program Officer Dr. F. Barman, Dr. Debasish Dutta and other teachers. The program begins with the lighting of lamps and everyone speaks like them. After finishing the program in an orderly manner, we proceeded towards the camp where we have scheduled the camp.

- Task Two- Cleaning Camp with all volunteers.

Clear camps on the volunteering and all the camps who live in the camp.
