FROM THE PRINCIPAL'S/TIC'S DESK

Dear Applicant, it gives me great pleasure to invite you to take admission in an improved quality-based institution, namely, Mathabhanga College. Our college is committed to imparting, sustaining, and steering all-round holistic and quality education to the students so that they gather citizens of tomorrow. The college has recorded constant development in infrastructure and learning and is recognised for educational excellence.

The college has a green campus with an aviary, green plants and shrubs, a canteen, and a separate ladies' common room with 24 hours CCTV observation. Besides, the college has ICT classrooms, a seminar hall, computer laboratories, a N-Listed Library, an Internet based IT laboratory etc.

The college focuses on improving the quality of teaching and learning. There have been several steps already taken towards this like facilitating power-point presentations, ICT teaching and learning, training for competitive examinations and use of charts, graphs, videos etc. as far as possible. The faculty members also conduct seminars, group discussions, quizzes etc. in the classrooms to help the students and to make them well acquainted with the curriculum clearly and to build them as well-equipped students in a global environment.

The college also organises compulsory parent-teachers' meetings to evaluate the progress of students before they appear in their final examination and to give suggestions for the better improvement of the students. It is indeed a unique privilege to our students to become a part of this college family

I convey my best wishes to all of you and your families for choosing our college and for taking admission to the various courses on offer. Thank you all. Wish you the best of luck.

Dr. D. Datta
Principal

FROM THE PRESIDENT'S END

Dear Students, Faculty, and Stakeholders, I am delighted to extend a warm welcome to you on behalf of Mathabhanga College, a distinguished educational institution committed to excellence in undergraduate studies. Established on September 1, 1969, our college has been a beacon of academic prowess, fostering holistic development and intellectual growth since its inception.

Situated approximately 1.5 km west of Mathabhanga town on SH 12A, our college campus spans across 10.78 acres of land, featuring a two-storeyed building, two one-storeyed structures, a well-stocked library, a Book Bank, a Boys' Hostel, a playground, and a serene pond.

Mathabhanga College is proud to be permanently affiliated with Cooch Behar Panchanan Barma University, holding recognition under section 2 (f) and 12 (b) of the University Grants Commission Act. Our governance, guided by the principles of the West Bengal Act XXVII of 1961, is overseen by a dedicated Governing Body under the supervision of the Department of Public Instruction, West Bengal.

Our commitment to academic excellence is reflected in our last accreditation in 2006, where we received a commendable rating of C+. As an aided institution falling under the affiliated category, we strive to provide a conducive environment for learning, research, and overall personal development.

Thank you for choosing Mathabhanga College as your academic partner. We look forward to a fruitful and enriching journey together.

Sri. Mantu Ranjan Sarkar
President, G.B.

While taking Major and minor subjects, the availability of the said subjects in our college will be taken into cognizance.

MERIT CALCULATION

Admission to all Major courses will be based strictly on merit. Merit shall be calculated as per the following norms:

$$\text{Merit} = (2S + T) / 6$$

T = Aggregate = marks obtained in English + marks obtained in the subject opted for Major

+ best marks of other two subjects

[Excluding the subject opted for Major and English].

S = marks obtained in the subject opted for Major.

If the candidate does not have the specific subject opted for Major in his / her previous Course,

the procedure for Merit Calculation will be as follows,

$$\text{Merit} = T1 / 4$$

T1 = marks obtained in English + best of other three subjects

Tie Break rule: If more than one candidate scores the same merit point, preference will be given to

the one who has scored higher marks in the subject (selected subject for 4-year UG Programme), in this way, if more than one candidate has the same merit point and the same marks

in the subject; preference will be given to the candidate who has scored higher marks in the (10+2)/HS level Examination considering best five subjects, if more candidates have the same

merit points and same marks in the (10+2)/HS level Examination; preference will be given to

the candidate who has scored higher marks in the 10th/Madhyamik level Examination.

A candidate failed in a particular subject in 10+2 or its equivalent examination will not be considered for admission in the 4-year UG Programme for that particular subject.

A candidate failed in either theory or practical subject in 10+2 or its equivalent examination will not be considered for taking a 4-year UG Programme in that particular major subject.

No student of Arts and Commerce stream other than those of Geography and Economics will be allowed to take Science subjects as Minor Subjects.

A candidate will be allowed to take up a Geography subject if he/she/transgender has passed Geography with other subjects at the qualifying examination.

A candidate will be allowed to take up Business Administration and Business Management if he/she/transgender has passed in any Stream at the qualifying examination.

A candidate pursuing a Major in a subject will not be allowed to take up the same subject as a Minor.

A candidate pursuing a Major in a Language subject will be allowed to take another Language subject as a Minor Subject.

While taking Major & Minor subjects, the availability of the said subjects in the concerned Colleges will be taken into cognizance.

Admission to all Courses will be based strictly on merit. Merit shall be calculated as per the following formula.

A candidate will be allowed to pursue a maximum of Three Years under a Major Course if he/she/transgender has passed the qualifying Examination in Vocational Stream subjects.

Session Gap: For admission to the Undergraduate Program there should not be a gap of more than 3 years between the year of Higher Secondary Examination and the year of admission to the Undergraduate Program of study.

TEACHING LEARNING & EVALUATION

All teaching and administrative work is carried out throughout the year except for stipulated holidays. Presently, a semester-wise teaching system is followed and to complete a course, it is essential to pass University Examinations at the end of each of six semesters in the three-year degree courses in Science, Arts & Commerce. The teachers carry out various types of administrative responsibilities, besides teaching and academic duties. Almost all teachers in substantive posts have been awarded a Ph.D. degree and most of the remaining ones are in the process of acquiring one. Teachers of our college actively participate and present papers in State, National and International Seminars and conferences. The teachers also have many publications, both at the international level as well as at the national level, in academic journals, books, newspapers and magazines to their credit.

Our college has once received NAAC accreditation, following visits by the National Assessment and Accreditation Council (NAAC), a body of the University Grants Commission (UGC) in 2007. We are looking forward to another NAAC visit soon.

INTERNATIONAL QUALITY ASSURANCE CELL(IQAC)

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality upgradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. In order to pursue this the college constituted its IQAC Cell on 15.09.2004.
